Eliud Mautia

IGCSE|IBDP|A-LEVEL MATH TEACHER|IBDP MAA
EXAMINER.

ABOUT ME

I am a highly motivated and innovative professional with a flexible mindset, adept at embracing new ideas and changes, and driven by a commitment to achieving results through teamwork. I excel in leadership, organization, and interpersonal communication, bringing extensive experience in Secondary Mathematics education across IGCSE, A Level, IB Diploma, and 8.4.4. systems. As a passionate educator, I employ an effective and positive teaching style, leveraging technology to cultivate independent learners.

My advanced skills in communication, planning, socialization, and problem-solving empower me to excel as a mathematics educator. I aspire to secure a teaching position that fosters creativity and higher-order thinking through advanced teaching methods, enhancing student performance while promoting an environment of continuous learning, unlearning, and relearning.

WORK EXPERIENCE

IGCSE | IBDP Teacher of Mathematics
Yew Chung International School / Chongqing, China / Aug
2023 - Present

- Delivering comprehensive instruction in IGCSE, AA, and AI IBDP Mathematics at both Standard and Higher Levels, ensuring alignment with educational standards.
- Conducting continuous assessment of student progress, meticulously maintaining records in accordance with school and examination board requirements.
- Developing and implementing differentiated instructional materials to cater to diverse student needs and learning styles.
- Actively participating in curriculum development and review processes to enhance the quality and relevance of the mathematics program.
- Integrating technology effectively into teaching methodologies to enhance Approaches to Learning and Approaches to Teaching, fostering digital literacy and advanced problem-solving skills.
- Collaborating closely with colleagues, parents, and students to foster a supportive and productive learning environment.
- Actively Contributing to the creation of a cohesive educational community through effective communication and shared best practices.

IGCSE | IBDP Teacher of Mathematics
Sandford International School / Addis Ababa, Ethiopia / Aug
2021 - Jul 2023

- Taught IGCSE, AA, and AI IBDP Mathematics at both Standard and Higher levels, adapting teaching methods to cater to diverse student needs.
- Researched and integrated effective teaching aids to increase classroom engagement and facilitate complex concept comprehension.
- Contributed to extracurricular activities by supporting the school volleyball and football teams, enhancing teamwork and school spirit.
- Led parent-teacher conferences, providing detailed insights into student academic performance and strengthening partnerships with parents.
- Conducted life skills training and stress management guidance during PHSE sessions to support student well-being and personal development.
- Maintained consistent communication with students and parents regarding academic progress, fostering a transparent and collaborative educational environment.

IGCSE | A- Level Teacher of Mathematics
British International School / Addis Ababa, Ethiopia / Sep 2019 - Jul
2021

- Taught IGCSE and A-Level Mathematics, focusing on enhancing student proficiency and academic success.
- Conducted after-school remedial classes to improve students' critical thinking and problem-solving abilities.
- Implemented interactive, discussion-based lessons using the Think, Pair, Share strategy to strengthen conceptual understanding.
- Coached and led KS3 and IGCSE students in the regional 'Mathletics' competition, fostering a competitive spirit and teamwork.
- Introduced innovative teaching methods to the curriculum, creating a dynamic and engaging learning experience for students.

IGCSE | IBDP | A- Level Teacher of Mathematics & Lead Teacher
Nairobi Home School / Nairobi, Kenya / Jan 2018 - Jul 2019

- Led the development and review of mathematics curricula for IGCSE (CIE & EDEXCEL), IB, GCSE, and the Kenyan 8.4.4 educational system, ensuring alignment with educational standards.
- Directed the recruitment and assessment of teaching staff, attracting high-caliber educators and supporting their ongoing professional development.
- Taught Mathematics at IGCSE, IB, and A-Level, demonstrating a strong command of subject matter and a commitment to student achievement.
- Managed school operations, coordinating resources and staff to facilitate smooth and effective educational delivery.
- Implemented student welfare programs, contributing to a supportive and engaging learning environment that promotes student well-being.

HOD | Teacher of Mathematics & Geography
Maumau Girls School / Tana River, Kenya / May 2015 - Dec 2017

- Led strategic initiatives within the Mathematics department, significantly improving KCSE mathematics results in 2015.
- Fostered collaboration with the Humanities department through a dual role as an effective Geography Teacher.
- Established and directed the school's music club, nurturing students' musical talents and interests.
- Coached the drama club, achieving notable success at the Coast region drama festivals in Mombasa.

Teacher on Practice
Consolata School / Nairobi, Kenya / May 2014 - Aug 2014

- Developed and implemented Mathematics and Geography curriculum, enhancing critical thinking and problem-solving abilities among students
- Designed and delivered tailored lessons to meet diverse learning needs and styles in Mathematics and Geography
- Conducted extra classes focused on problem-solving skills, significantly improving students' abilities to tackle complex questions
- Facilitated discussion-based lessons to foster deep comprehension and engagement in subject matter
- Implemented life skills training, peer guidance, and counseling to empower students in effective stress management techniques

EDUCATION

Masters in Education Arts
Liverpool John Moores University / Liverpool ,UK / 2026

- Pursuing a Master's in Education with a specialization in Leadership and Management to enhance Educational outcomes.

Bachelor of Education Arts
University of Nairobi / Nairobi / 2018

Bachelors of Education (Arts), Specialized in Mathematics.

EXTRA-CURRICULAR ACTIVITIES

Model United Nations Faculty Advisor
Yew Chung International School / Chongqing, China / Nov
2023 - Present

HOUSE COORDINATOR

Secondary House Coordinator
YCIS Chongqing / Aug 2024 - Present

As the coordinator of Secondary House Activities, I am dedicated to ensuring that our house system effectively serves the interests of all community members while fostering an inclusive environment. By meticulously planning and organizing events, I aim to create opportunities for every member of our school to engage and participate fully.

My focus is on promoting a sense of belonging and unity, ensuring that all voices are heard and respected. Through collaborative efforts and continuous improvement, I strive to enhance the overall experience within our community, making it a welcoming and supportive space for everyone.
